

PERFORMANCE STATEMENT

for REVCO VARIO-Max resin based acrylate binder colouring plaster

which was made on the basis of Regulation (EU) No. 305/2011 of the European Parliament and of the Council coming into force on July 1, 2013, laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EEC.

Number of the Performance Statement: 2/2013

Construction product identification: REVCO VARIO-Max resin based acrylate binder colouring plaster.

Intended use of the construction product as defined by the Manufacturer: Appropriate for internal and external plastering to decorate or coat mineral substrates and thermal insulation systems. Also refer to the technical information on the www.revco.hu website.

Registered trade name of the Manufacturer: REVCO Magyarország Kft. 2310 Szigetszentmiklós Leshegy út 5. 24/525-525 www.revco.hu

Name and contact e-mail address of the authorized representative: Johannes Alponus Antonius Maria de Weert (fwd@revco.hu)

Classification of the construction product performance stability: 4

Name and I.D. number of the registered inspection authority: Építésügyi Minőségellenőrző Innovációs Nonprofit Kft Budapest 1113 Diószegi út 37. NB 1415

Performance according to the Statement

Based on the harmonised standard No. EN 15824:2009

Requirements on internal and external plasters containing organic binder

Adhesive strength: 0.8 MPa

Water permeability: W2

Vapour diffusion: II.

Thermal conductivity factor: 0.67 W/mK

Fireproof class: C

The Manufacturer Revco Magyarország Kft. is exclusively responsible for the issuance of this Performance Statement.

REVCO Magyarország Kft.
